PLEA AGREEMENT

I hereby waive an appearance/trial in the Court, my right to the assistance of counsel (unless this application is being presented by counsel for the defendant/motorist), and my right to appeal and plead guilty to the reduced charge(s) as indicated above.

I understand that a plea of guilty to the reduced charge(s) is equivalent to a conviction after trial. If I am convicted, I am not only subject to a penalty and surcharge, but, in addition, my license to drive a motor vehicle or motorcycle, and my certificate of registration, if any, may be subject to suspension and revocation as prescribed by statute. I also understand that I am waiving my right to confront witnesses and that my guilty plea is offered freely and voluntarily. I also understand that if I accumulate eleven (11) points in an eighteen (18) month period, or three (3) speeding convictions in an eighteen (18) month period, my license will be revoked. I also understand that if I accumulate six (6) points in an eighteen (18) month period, I will be subject to a driver's assessment fee from the Department of Motor Vehicles in addition to any fine and/or State surcharge.
